

At the end of April, the school district will interview candidates to replace our outgoing principals. Mrs. Koontz is retiring this year, and Mr. Shanahan is relocating to be closer to family. PTA would like to invite you to participate in the interview process in two ways:

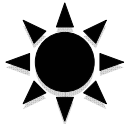

**1. Apply to participate on the interview panel.**

Echo Lake PTA has been asked to provide two parents to serve on the interview panel for our new principal. **Interviews will take place at the Shoreline Center on Tuesday, April 26, from 12:00pm into the evening.** Childcare will not be provided.

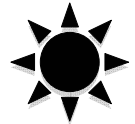

**2. Tell our parent representatives what is important to you.**

We are lucky to have a richly diverse school community, and the parent representatives need to be well informed about the concerns of all of our families during the interviews.

*To apply for a panel position or give feedback, please fill out the questions below and return to school by **Friday, April 15**. The PTA board will review all applicants and select two representatives and two alternates.*

**You do not need to be a PTA member to provide feedback or serve on the interview committee -all parents are invited to respond to this request.**

I would like to be considered for the interview panel, and I am available Tuesday, April 26 from 12:00pm into the evening.

I am only providing feedback for the panel

Name: \_\_\_\_\_ *(optional if only providing feedback)*

Phone: \_\_\_\_\_ email: \_\_\_\_\_

Can you be reached during Spring Break (April 18-22)?

**Please attach paper with answers**

- 1. How many years has your family been at Echo Lake?**
- 2. What are the three most important roles of a principal?**
- 3. What qualities are important to you in Echo Lake's next principal?**
- 4. What do you value most about the Echo Lake community?**
