ECHO LAKE ELEMENTARY PTA MEMBERSHIP

Your PTA community is here for you. The ways we connect and build community have been challenged immensely through these pandemic years. As we work to rebuild stronger, we need your help. We know that it takes a village to raise a child. Join our PTA to help build a village to support your child. When you belong to our PTA you'll meet other families with children of your child's age in a fun, *welcoming* environment. You'll make connections with school staff and community leaders, and you'll stay informed about community events and resources. Our PTA gives money directly to the school every year to help fund educational and enrichment programs. We also give grants to teachers for additional equipment or supplies, host teacher appreciation events, help fund new books for the school library annually, and host many community events. These include the Back-to-School BBQ, Trunk or Treat, Movie and Skate Nights, Science Night, an Ice Cream Social and more. Being a member of our PTA will help support these programs and strengthen our community. Membership gives you access to resources, and a place to share your voice, with no strings attached. We know that each family's circumstances are different. **You are welcome** as a member whether you have time, money, or just ideas to share —and we need your unique perspective to make a difference! Will you support our efforts by becoming a member?

I want to make a gift to support the Echo Lake Community!

\$500 \$250 \$150 \$100 \$75 \$50 (\$100+ can be broken up over 10 months online)

\$_____ - Any amount is welcome and much appreciated. Every dollar makes a difference.
